- NEOMIN User Group Goals

Interactive Collection Analysis: Considering Community Needs in the Library
- Resume *Interactive Collection Analysis* Handbook, Slide 15
- Chapter 1 Sample Data
- Start Chapter 2 – Needs Assessment & List Analysis Report for One Collection
- Review NEOMIN-Provided Ethnicity Reports

Homework – Complete Before Next In-Person Meeting (February 7th)
- Verify that you completed the Needs Assessment for one collection
- Run a Workflows shelf list to save a .CSV file for importing that matches the needs assessment collection (i.e. If you are focusing on FICTION, then create the .CSV file for FICTION items)
- Import the .CSV file and review the components of your "List Analysis Report"

Library Successes & Failures
